

# The Watchmaker

By Jonny White

*Theme: Genesis 1:1 "In the beginning God created ..."*

*The Big Bang theory and evolutionists deny the creation principle. This sketch aims to show in a light hearted way the absurdity of thinking that the universe and life "just happened".*

1 A long time ago there was an inventor.  
2 And he decided he was going to make a watch.  
1 But first of all he needed all the bits  
2 And pieces  
1 For making this watch.  
2 He needed  
1 A case  
2 A glass face  
1 Some cogs  
2 Hands  
1 A spring  
2 A winder  
1 Some numbers  
2 And a strap.  
1 So he thought he would make the glass first.  
2 He took some sand  
1 And some other bits  
2 And pieces  
1 And put them all in a wooden box.  
2 He took the box  
1 And shook it  
2 And heated it  
1 And shook it  
2 And heated it  
1 And hooked it  
2 And beat it  
1 And shook it  
2 And heated it  
1 And when he opened the box  
2 There was his glass  
1 Perfectly clear  
2 Perfectly round  
1 And perfectly

2 Perfect  
1 Great  
2 He thought.  
1 I'll make the case  
2 Next.  
1 So he took some iron ore  
2 And some charcoal  
1 And some other bits  
2 And pieces  
1 And put them all in the wooden box.  
2 He took the box  
1 And shook it  
2 And heated it  
1 And shook it  
2 And heated it  
1 And hooked it  
2 And beat it  
1 And shook it  
2 And heated it  
1 And when he opened the box  
2 There was his case  
1 Perfectly formed  
2 Perfectly made  
1 And perfectly  
2 Perfect  
1 Great  
2 He thought.  
1 I'll make the mechanism  
2 Next.  
1 So he took some bronze  
2 And some copper  
1 And some other bits  
2 And pieces  
1 And put them all in the wooden box.  
2 He took the box  
1 And shook it  
2 And heated it  
1 And shook it  
2 And heated it  
1 And hooked it

2 And beat it  
1 And shook it  
2 And heated it  
1 And when he opened the box  
2 There was his mechanism  
1 All the cogs  
2 A big hand  
1 A little hand  
2 And a second hand  
1 A spring  
2 A winder  
1 All the numbers  
2 From one  
1 To twelve  
2 And a strap.  
1 Perfectly formed  
2 Perfectly made  
1 And perfectly  
2 Perfect  
1 Great  
2 He thought.  
1 I'll put it all together  
2 Next.  
1 So he took the case  
2 And the glass  
1 And all the cogs  
2 And the hands  
1 And the spring  
2 And the winder  
1 And all the numbers  
2 From one  
1 To twelve  
2 And the strap.  
1 And put them all in the wooden box.  
2 He took the box  
1 And shook it  
2 And heated it  
1 And shook it  
2 And heated it  
1 And hooked it

2 And beat it  
1 And shook it  
2 And heated it  
1 And when he opened the box  
2 There was his watch  
1 Perfectly formed  
2 Perfectly made  
1 And perfectly  
2 Perfect  
1 And not only that  
2 But it showed  
1 The right  
2 Time.  
1 Amazing  
2 Wonderful  
1 A long time ago there was God.  
2 And He decided He was going to make the world.  
1 With all its plants  
2 With all its animals  
1 And with people  
2 Like you  
1 And me  
2 So He created it.
